

Welcome to St. Charles Middle School Ultimate!

Thompson & Wredling Middle Schools' Club Sport

Coach: Tyler Williams

Ultimate is a non-contact team sport played with a flying disc. Points are scored by passing the disc to a teammate in the opposing end zone. Players must not take steps while holding the disc, and interceptions, incomplete passes, and passes out of bounds are turnovers. Rain, wind, or occasionally other adversities can make for a testing match with rapid turnovers, heightening the pressure of play.

From its beginnings Ultimate has not used referees for rule enforcement, instead relying on the sportsmanship of players and invoking the "spirit of the game" to maintain fair play. Players call their own fouls, and dispute a foul only when they genuinely believe it did not occur.

There are five million Ultimate players in the United States, and it is played across the world in pickup games and by recreational, school, club, professional, and national teams at various age levels and with open, women's, and mixed divisions.
