

JOB SHADOW from your HOUSE!

A) Talk to an older relative at home or by phone/video chat:

(Don't forget to take notes, and thank them afterwards!)

- How did you get into the career or work you do?
- What are things you like and dislike?
- Is this job going to change in the next 5 years?
- What's a typical day like?
- What training/education is important to get into it?
- What else did you think you might be good at?

[More questions you can choose from here](#)

B) In XELLO, read the “Interviews” with people in your career of interest, join a “Huddle” to ask a professional your questions about their job, and see what “Companies” employ this career around Madison. (see screenshot below)
